Description

1991 Hatteras 70 Cockpit Motor Yacht “Sugar Bear”

Loved and Cared for by the current owner for over for 20 years. "Sugar Bear" is a beautiful example of the Cockpit Motor Yacht. Designed and Built for an Owner Operator, "Sugar Bear" includes adequate accommodations for a Captain and Crew, if that is your preference. Featuring 5 staterooms and 3 full heads and showers, she has incredible interior volume. She can be operated from either the pilothouse or upper deck helm stations. The upper deck is also a wonderful living space, ideal for entertaining.

Look deeper and discover what makes this vessel so special. "Sugar Bear" has been continuously and lovingly updated by her owner through the years. The port engine was replaced in 2026 and the starboard engine was surveyed to insure its condition. New engine controls and steering were installed recently, along with updated electronics. New upholstery and upper deck cushions were added. The owner is looking to downsize. Please take a look at the photos, you will find "Sugar Bear" to be incredibly clean, which is a good indicator of the life she has lived so far. She is ready for her next caretaker. Vessel Name will not convey.

1991 Detroit Diesel 12V-92 TA engines. Port Engine zero hours, starboard engine 3350 hours. 1070 hp each.
