Description

ISLAND GIRL is a classic 48' Offshore Sedan offering the comfortable ride, practical layout, and quality construction that have made Offshore Yachts so well respected among experienced cruisers. Built by Offshore Yachts and finished with a warm satin-finished teak wood interior, teak and holly sole, galley-up arrangement, and a functional two-stateroom two head layout, she is well suited for owner-operators seeking a capable cruising motor yacht with strong visibility and comfortable accommodations.

Her semi-displacement hull with partial keel, fiberglass construction, and wide 15'6" beam provide a solid platform underway, while the spacious salon, forward master, port guest cabin, and flybridge with bimini top create a practical and inviting layout for weekends aboard or longer coastal cruising. Exterior features include a starboard transom door, full walk-around covered decks with high bulwarks for safety, molded fiberglass swim platform, Maxwell windlass, fiberglass radar arch, cockpit wet bar sink, hot/cold cockpit shower, dinghy davit on the port boat deck, and varnished cockpit teak cap rail.

Power is provided by twin Caterpillar 3126-TA diesel engines rated at 420 HP each. Replaced by Caterpillar in January 2006 with approximately 2,000 hours. Additional equipment includes a 8kw Northern Lights generator, Side-Power bow thruster, Garmin electronics package, Dometic reverse-cycle air conditioning, inverter/charger, and a well-equipped anchoring and navigation setup.

Information & Features

Caterpillar 3126-TA (Engine 1)

Engine Type:	Inboard	Drive Type:	Direct Drive
Fuel Type:	Diesel	Power:	420 hp
Engine Hours:	2000		

Caterpillar 3126-TA (Engine 2)

Engine Type:	Inboard	Power:	420 hp
Fuel Type:	Diesel		
Engine Hours:	2000		

Dimensions

LOA:	48 ft
Beam:	15 ft 6 in
Max Draft:	4 ft 2 in

Weights

Dry Weight:	48,000 lb
-------------	------------------

Tanks

Fuel:	600 gal
Fresh Water:	240 gal
Holding:	17 gal

Accommodations

Guest Cabins:	2
Guest Heads:	2

Other

Hull Shape: **Monohull**
Flag Of Registry: **United States**
Builder: **Offshore Yachts**

- KitchenAid 2-burner ceramic glass cooktop
- Frigidaire microwave oven
- Stainless steel sink with separate basins

Engines & Mechanical

- Twin Caterpillar 3126-TA diesel engines
- 420 HP each (installed Jan 2006)
- Turbocharged and aftercooled
- Equipped with AirSeps
- Approx. 2,000 engine hours
- Hydraulic throttle and shift controls
- Closed cooling system

Running Gear

- Direct drive
- Approx. 2.00:1 gear ratio
- Stainless steel prop shafts, 2" diameter
- Bronze 4-blade propellers (spare set stored in engine room)
- Dripless shaft seals
- Line cutters
- Bronze rudders
- Bennett 12V electro-hydraulic trim tabs

Generator/Electrical

- New batteries throughout (3/2026)
- 8kw Northern Lights generator
- Approx. 3,125 hours (5-2026)
- (New 5-2026) Victron MultiPlus-II 12/3000/120-50 2x120V inverter/charger
- 12V DC electrical system
- 120/240V AC shore power, 60Hz
- Two 50-amp shore power inlets (one in cockpit and one starboard midship)
- Six 12V flooded lead-acid batteries for engines/house
- One Group 31 12V battery for generator start
- 12V / 30-amp battery charger

Tankage

- Fuel: 600 gallons total
- Fuel Tanks: 4 aluminum tanks
- Fresh Water: 240 gallons total
- Fresh Water Tanks: 2 stainless steel tanks
- Hot Water Heater: 17 gallons
- Type III MSD holding tank system

Steering & Handling

- SeaStar hydraulic steering
- Sleipner Side-Power 12V bow thruster
- Stainless rudder stocks
- Bronze upper rudder bearings
- Dripless rudder shaft seals

Electronics & Navigation

- Garmin GHC-10 autopilot
- Garmin xHD2 open-array radar
- Garmin GPSMap 5212
- Garmin GPSMap 4208
- Garmin XSV 12 chartplotter with radar/depth/speed display and color fishfinder
- Garmin 76Cx handheld GPS
- Two Icom CommandMic VHF radios
- Yaesu System 600 single side band radio
- Ritchie 4" compass
- Fusion Apollo stereo / MP3 / satellite radio player
- Fusion amplifier
- Klipsch interior speakers
- Fusion exterior speakers
