Description

Purchased by lifelong boaters new with most factory options, this 2007 one owner boat has been meticulously maintained to factory standards with multiple upgrades. Conscious Sedation offers an infrequent opportunity to own a Manta Mk IV that is not only in exceptional cosmetic and mechanical condition with low hours but has a proven offshore cruising design with superior build quality.

No water intrusion, collision, or insurance claims.

Conscious Sedation is, the last most current Manta Mark IV (only 11 built) incorporating many improvements such as salon/galley headroom increased 6", a Z Spar rig by U.S. Spar, above water construction change to Divinycell foamcore with vinylester resins, updated cabinetry with more modern interior finishes.

This is an owner's layout featuring a spacious owner's stateroom with a queen berth, private en-suite shower, head on the port side. The starboard hull includes a second queen stateroom, a single berth forward and a shared head, all with premium mattresses, large cedar-lined hanging lockers, generous drawer storage. Sink Swanstone countertops with separate shower enclosures. Both hulls are lined with built- in cabinetry, bookcases and additional storage. A Splendide, never used, washer/dryer is installed in the starboard companionway. All interior woodwork is finished in teak, cherry, and ash, with Sunbrella upholstery and synthetic teak and holly soles throughout. Hatches are fitted with retracting Oceanair screens and shades.

Saloon And Galley

The bridge deck main salon features a large, L- shaped settee with a Swan stone teak trimmed dinning table, with a matching newly designed galley that includes a Force Ten 3 burner propane stove and oven, plus a top loading 10 cubic foot Adler/Barbour refrigerator/freezer. Abundant storage cabinetry, a dedicated navigation station with an Icon 402 SSB and VHS radios with a cockpit remote mike and a custom AC/DC electrical panel with a Magnum Sine 2012W inverter/charger plus isolator transformers. Beneath the settee, a new AGM Lifeline battery bank, new forward/aft Ve lair A/C units, and AB refrigeration compressor. An entertainment center with a flat screen TV, Starlink, Clarion stereo with 6 CD changer is positioned above a large wet locker inside the cockpit entry which features both a watertight Bomar Lexan door and retracting Phantom screen.

Sails And Rigging

The rig includes a full-batten Doyle mainsail (10.3 oz. high modulus dacron) with new Lazy Jacks, Tides Strong Track, electric winch and all integrated reefing lines led to helm. Mainsail stores in Mack Pack. The self tacking Doyle jib (8.3 oz. dacron) is mounted on a Camber Spar with a jib downhaul system. Line management is handled through Harken deck organizers, sheet stoppers and dedicated line bags. Main sail area totals 833 sq ft. Jib 302 sq ft. Dutchman boom brake with the mast height 59 feet 6 inches above the water line. Doyle custom Manta 42 light wind furling spinnaker (900 sq ft) with a new Barnar Furler and lines that lead to a separate cockpit winch.

At helm, one can handle virtually every sail control line: main and jib halyard, main and jib sheet plus two single line reefs led to helm through deck organizer, and then to main Harken electric winch.

Electronics And Navigation

- Six solar panels 85w 90w each producing 51 Ow to 540w are mounted on the aluminum Radar Arch hardtop controlled by a Blue Sea 12 volt and 120 volt monitoring system.
- Raymarine Axiom Multifunction Display 12 inch with NA Navigation Charts.
- Raymarine Quantum Radar with AIS.
- Garmin model 740 GPS with U.S. and Bahamas Explorer Navigation Charts.
- LED running lights with LED tri-colour mast head mounting with anchor light.
- Steaming/fore deck light.
- Starlin I< Antenna.
- Cockpit mounted Raymarine ST 60 wind, depth and tri-data instruments.
- Glomex TV/stereo antenna on mast head.
- Cabin mounted ACR EPIRB No. 2487 Expiration Date July 2028.
- Hand held VHF radio and GPS units.
- Strike Shield lightening ground and Yacht Guard. Lightening brush mast head.
- 12v LED Courtesy lights.
