This exceptional 2023 Riviera 64 Sport Motor Yacht is a highly optioned example that has been thoughtfully equipped for luxury cruising, entertaining, and extended adventures. Built with Riviera's renowned offshore capability and attention to detail, she features an impressive combination of factory upgrades and premium aftermarket additions. Her enclosed salon design, elegant interior appointments, and expansive exterior living spaces create a versatile yacht equally suited for coastal cruising, island exploration, or extended stays aboard.

Powered by twin MAN V12 1550 HP diesel engines with 770 hours, this Riviera 64 provides exceptional confidence and peace of mind for her next owner. Her impressive mechanical package includes **twin Onan generators, Seakeeper 18 gyro stabilizer**, hydraulic bow and stern thrusters with joystick maneuvering, station hold functionality, Blue Water Legend watermaker, tropical air conditioning package, and an extensive Garmin Glass Bridge electronics suite. Additional technology upgrades include FLIR thermal camera, Starlink internet system, KVH satellite television, and engine room and anchor cameras, making her exceptionally capable for extended cruising and comfortable time away from the dock.

The highly desirable four-stateroom, three-head layout provides luxurious accommodations for family and guests, featuring a full-beam master suite, forward VIP stateroom, and two additional guest cabins. The yacht's exterior spaces are designed for entertaining with a teak cockpit, mezzanine seating, dual cockpit wet bars, hydraulic swim platform, forward deck lounge, and expansive flybridge with helm station and entertainment amenities. With her extensive option package, premium upgrades, and turnkey cruising capabilities, this Riviera 64 Sport Motor Yacht represents a rare opportunity to own a meticulously equipped example of this highly regarded model.

Notable Features:

- **Twin MAN V12 1550 HP Diesel Engines with 770 original hours**
- **Twin Onan Generators** providing exceptional onboard redundancy for extended cruising
- **Seakeeper 18 Gyroscopic Stabilizer** for outstanding comfort underway and at anchor
- **Premium Garmin Glass Bridge Navigation Suite** with dual Garmin GPSMAP 8624 displays, Hatteland touchscreen monitors, Garmin Reactor Autopilot, AIS, and 96-mile radar
- **Joystick Docking System** with hydraulic bow & stern thrusters and station hold for effortless maneuvering
- **Sea Recovery Aqua Matic 1,800 GPD Watermaker** for true long-range cruising capability
- **Starlink Satellite Internet, FLIR Thermal Camera, and KVH Satellite TV** for premium connectivity, navigation, and entertainment
- **Desirable Four-Stateroom / Three-Head Layout** featuring a full-beam master suite and accommodations for up to eight guests
- **Hydraulic Swim Platform with Walker Bay Generation LTE Tender and Honda 50 HP Outboard**
- **Luxury Entertaining Package** including an enclosed climate-controlled salon, expansive flybridge, teak cockpit with mezzanine seating, dual cockpit wet bars, premium galley, and Control4 entertainment system
